SUBJECT : Office of Security Statistical Report for  
JANUARY 1967

1. The attached tables reflect some of the activities of certain components of the Office of Security during January 1967.
2. The statistics in the tables are compiled by the component concerned and refer to the current month.
3. The following statistics are furnished for the purpose of comparison:

	<u>January 1966</u>	<u>January 1967</u>
Overt Cases Received	2354	2449
Covert Cases Received	1674	1813
Man-Hours Expended (Covert Support)	5550	8119

The overall workload (overt and covert) for January 1967 is 4,262 cases compared to 4028 cases for January 1966. For December 1966 the overall caseload was 3151 cases. A large percentage of the total man-hours expended for covert support is attributed to a defector case.

4. There is no evidence to indicate a decrease in the workload. On the contrary, the workload will increase sharply, particularly the regular applicant, summer and reinvestigations programs.
